### Description

Your Number one choice for quality timber stables in the UK. Cheshire stables offer full range of stabling, from one stable to a complete stable yard, consisting of tack rooms, hay store, foaling boxes, shelters etc. Our Mobile field range come complete with heavy duty steel skid frames, which spreads the load evenly across wider surfaces giving greater weight distribution and improved mobility. Please call 01606 272788

**Alternative Category:** Fencing
